## TOYOTA NATIONWIDE Clearance Event

Dear Valued Client,

There has never been a better time to trade in your vehicle! As the used car market is currently in a state of high demand, I implore you to call or visit A-1 Toyota to have your vehicle appraised while values, and demand, remain so high.

Currently, the 2011 Toyota models have fantastic incentives to buy including **\$1000 cash back†** or **0% financing†** up to 60 months on select models. Plus, for a limited time only, lease a new Camry for **\$169/mo†** for 36 months or get \$500 subvention cash† and 0% APR financing.†

If you are still making payments on your vehicle, but are interested in upgrading — don't worry. You may be able to actually lower your current monthly payment while upgrading to a brand new 2011 model. Also, every vehicle purchase includes Toyota Care, a complimentary maintenance plan that covers your vehicle for 2 years or 25K miles — whichever comes first.\*

In addition to Toyota Care, A-1 Toyota offers exclusive benefits to all car buyers including *lifetime oil changes, an extended warranty, complimentary service rentals, ding removal*, a \$500 trade-in coupon and much more! Don't lose out on this fantastic opportunity by waiting to trade and giving market conditions the time to reset. Call or visit A-1 Toyota today!

Sincerely,

*John Durrani*
